About Jonathan's Place

For more than a decade, Jonathan's Place has been taking care of the Dallas area's youngest victims of abuse. They do this through two programs – an emergency shelter and a Foster Adoptive Family program.

Adoptive Family Program places children from Child Protective Services and the emergency shelter into the care of foster and adoptive families that are recruited, trained and verified.

The Jonathan's place emergency shelter provides specialized services and 24-hr residential care to abused, abandoned and neglected children. They are the only licensed emergency shelter in Dallas County that provides residential services to children in crisis under the age of 10.

Kid Net Foundation – a 501 ©(s) not-for-profit corporation formed 1991- operates both programs, the Jonathan's Place Foster and Adoptive Family Program.

Their mission is to provide quality residential care and specialized services for at-risk children. They are dedicated to providing children with a home where they can feel safe, laugh, cry, play, and be children.

gift cards allow case managers to purchase necessities, such as toothbrushes, clothes, hair brushes, shampoo for the children to come into their care.

DMCA would like to offer you the opportunity to donate Wal-Mart gift cards to Jonathan's place. Wal-Mart

We invite you to join our efforts to care for North Texas' abused, abandoned and neglected children by pledging your support to help. Together, we can put a smile on a face and hope into a future through a strong circle of love and support.
